### This month I learned...

How to be married! Allison and I got married on January 10th, and it has already been such a blessing. Thank you to all who have been praying for us, and please continue praying for us as we step into ministry together. The biggest lesson I have learned this month is the simple fact that my priorities have now shifted, which is exciting yet difficult.

### 2025: How Did it End?

The last few months of 2025 consisted of lots of fundraising appointments, and I am so excited to say that we are headed to Italy, and your prayers and financial support led us to raising about \$2,000 more than the total cost of our trip to Italy! This means two things: 1. We are going to be spending February 6th–21st in Italy. You can expect to receive a special report on that outreach in March. 2. We have some money to lay a foundation for our future trips and expenses for the World Cup this coming year. I was also blessed with the opportunity to do either evangelism outreach or evangelism training with multiple churches during this fundraising process!

Again, thank you so much for your prayers and support. We are so excited to participate in this outreach!

### Prayer requests:

- The divine appointments God is preparing for us in Italy
- That God would continue to equip Allison and I throughout this season of learning.

If you have any questions, or would like to hear more about my ministry, I would be love to come to you and share our work.

### So, What Now?

2026 is off to a great start. Allison and I are freshly married and are kicking things off by spending 10 days doing evangelism in Italy followed by 3 days of honeymooning. We also have almost everything finalized for the Houston World Cup Outreach this coming June-July. My amazing pastor and another member of AMBC, Chris Meek, are helping me to finalize a few details while we are in Italy. Right now, the plan is for applications to be open on February 8th, and you will receive more details on this as soon as Allison and I return from Italy. As far as the Arlington World Cup goes, we have 3 official days of outreach and possibly more to come. I have not been able to spend as much time as I would like on these outreaches, but you can expect to hear more about what is taking place in Arlington when Allison and I return and send out information on the World Cup Outreaches in Texas. One reason for that busyness was my school. This is my last semester on campus at Texas Baptist. I currently am taking 9 classes and am trying to make the most of it! There is much more to come! Following my coming updates on the World Cup Outreach, you can expect to receive bi-monthly updates.

"For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek"
