June 2025 Newsletter

This month I learned...

a lot about myself. I have been in a weird season, and God is making clear to me my need to lean on him in ways I am not comfortable doing so. I have struggled with depending on God in the past, but lately have discovered new ways it has manifested and am extremely thankful to say I am growing to be more dependent on Him! It blows my mind that the creator of the universe wants to help us in all of our needs.

Getting the ball rolling....

June consisted of more planning and preparation for training initiatives, but the biggest portion of my time was spent preparing for and attending the national ABA meeting. This included graphic designs, getting some resources put together, and of course a week full of fellowship and getting connected with churches from around the U.S. Now that we have got the national meeting checked off the list I am getting prepared for Italy OBP in February and doing everything I can to make headway on our world cup outreaches here in Texas. (Houston & Dallas). Please join us at either or both of these outreaches if you are able!

Prayer requests:

- The divine appointments God is preparing for us at upcoming OBP events.
- That God will provide host churches for World Cup outreaches.
- God's providence for Allison and I's trip to Italy Olympic Outreach.
- Regular financial support for future OBP events.

If you have any questions, or would like to hear more about my ministry, I would be love to come to you and share our work.

1 Cor. 9:19

"For though I am free from all, I have made myself a servant to all, that I might win more of them."

There will be many excuses to not share your faith with someone this week, most of which satisfy our pride. I want to challenge you to prayerfully consider who may be in your life that you refuse to become lesser than for the sake of the Gospel, and make it a goal to plant or water that seed in their life. Maybe offer prayer? Share a scripture? Present the Gospel? Just take action!

Financial:

We have scheduled our first few preaching appointments and our current goal outside of monthly support is \$10,000 for our upcoming Italy trip. Let us praise God because we are already at \$3500, \$1800 of which came from our AMBC Vacation Bible School!!!! Thank you for the prayer, and financial support!
